How it Works

1 Download & Register for Free

2 Schedule Your Appointment

3 Visit with Your Doctor

Fast

No commute times or long stays in crowded waiting rooms.

Easy

Patient self-scheduling, automated rescheduling, electronic consent and automated reminders

Effective

Increased capacity, front-desk bottleneck avoidance and reduced visits to the ER

Mobile

High quality doctor-to-patient video consultations on your PC or mobile device...from anywhere.

Secure

HIPAA compliant cloud platform for secure, dependable, redundant system performance

Secure and Convenient Direct-to-Patient Telehealth
